QUORUM/CALL TO
ORDER

A quorum being present (Chair Kane, Trustees Barfield, Chan, Hirai, Ley, and Yap), Chair Kane called the special meeting of the Board of Trustees (Board) of the Employees' Retirement System of the State of Hawaii (ERS) to order at 8:31 a.m.

On a motion made by Trustee Yap, seconded by Trustee Barfield, and unanimously carried, to be able to hold a meeting closed to the public and allow Trustees to participate by teleconference or other remote meeting technology, pursuant to the Governor of the State of Hawaii's Twenty-First Proclamation

Related to the COVID-19 Emergency, dated June 7, 2021, in order to implement social distancing measures.

PUBLIC COMMENT

Chair Kane called for public comment. There was only one (1) public present by teleconference and no one in person. No testimony by public on teleconference and no written testimony was received, therefore no public comment for this meeting.

Chair Kane welcomed everyone and announced that Trustee Barfield would facilitate the meetings since he was in person and Chair Kane was attending remotely. Trustee Barfield presided as Chair for the remainder of the meeting.

Trustee Barfield reviewed the agenda for the next two days.

STATE OF THE
EMPLOYEES'
RETIREMENT SYSTEM BY
THOMAS WILLIAMS,
EXECUTIVE DIRECTOR

Executive Director (ED) Thomas Williams welcomed everyone in attendance and provided an update on the activities of the Employees' Retirement System's and accomplishments for the year.

ED Williams discussed the activities administration has had success with for the past year such as the introduction of COVID-19 protocols, provided alternate and remote work schedules, 15th floor renovations for the administration and investment offices, implementation of virtual Board and Committee meetings, successful legislative year that resulted in three bills becoming law (felony forfeiture, information that protects private investments, the ERS budget was retained with no reductions to vacant positions), installed a new telephone system to create efficiency, and continue to implement and update the Strategic Plan.

ED Williams also discussed projects the Accounting, Information Services, Retirement Benefits Program, and Staff Support Services has had success with over the past year that included new manager account openings within the diversified and broad growth categories, improve the procurement process, implementation of Oracle Financial systems database, continue to work on employer reporting challenges, instituted a new capital calls process, worked on systems to the Cloud, implemented security and upgrades to our system, continue to work on Business Continuity and Disaster Recovery Plan, deployed equipment for staff to work remotely, developed procedures and testing for the pension administration system, continued counseling virtually, held virtual workshops statewide for potential retirees, continue to service the walk in members, and scanning of all the documents, utilize COVID-19 protocol to be able to service walk-ins, and continue to provide scanning services of all documents provide for members.

ED Williams further discussed Investment Office successful projects over the past year to be covered in detail over the next two days. Staff continues to implement the portfolio as outlined in the Asset Liability Study focusing on diversified strategies. ERS has been able to increase staffing including a student intern. Though unaudited, we have potentially reduced our period to full funding by three full years.

ED Williams further discussed the Board's activities over the past year as they continue to implement recommendations from the Governance Study, restructured the Governance Policy Ad Hoc as a permanent Committee, delegated some investment decision making to staff with guidelines, and have delegated more responsibility to all Committees.

INTRODUCTION BY
ELIZABETH BURTON,
CHIEF INVESTMENT
OFFICER

Chief Investment Officer (CIO) Elizabeth Burton discussed some of the highlights of the Investment Office and stated that more detailed presentations will be held on the second day of the meeting. Some of the yearly highlights included progress in diversified strategies, exploring different ways to expand the real assets portfolio, made progress in rebalancing, every investment officer and private portfolio have updated their processes and procedures, worked with administration and the Board to update the Governance Matrix, made a lot of progress with accounting and cash management. As a result of the pandemic, there are lot of changes in technology and health care, and there are new opportunities in different emerging markets in the world, as well as in volatility strategies and implications for our portfolio.

CIO Burton further added that Howard Hodel was promoted to Deputy CIO, and the team has been nominated for several awards such as Power 100, CIO of the Year, Advocate of the Year, and Top Institutional Investors.
