

Honolulu Star-Advertiser: State's pension fund on a roll with 2.1% gain

By Dave Segal

Hawaii's largest public pension fund, coming off its best performance in its 95-year history, continued its momentum by starting the new fiscal year on a positive note.

The state Employees' Retirement System, which provides benefits to more than 148,000 members and beneficiaries, achieved a 2.1% return on its investments in its fiscal first quarter as the fund's assets rose to a record \$21.8 billion, according to a new quarterly report presented to ERS trustees by investment adviser Meketa Investment Group.
