## Thinking about a 2024 retirement? Here are some important dates

Members or former members who are eligible and considering retirement in 2024 should prepare by familiarizing themselves with the deadlines for filing an application. Your retirement date can be the first of the month, or on Dec. 31. Applications can be filed as early as 150 days prior to – but not fewer than 30 days before – your retirement date.

For more information, go to <https://ers.ehawaii.gov/members/planning-for-retirement> or contact the ERS: <http://ers.ehawaii.gov/resources/contact-us>.

Here's a list of application deadlines for the 2024 retirement dates. The ERS must receive applications by the deadlines listed (not postmarked, if mailed). Applications must be notarized or signed in front of an ERS representative.
