Dear Dr. Chinn:

We are pleased to inform you that you have been selected as the Chairperson of the Medical Board of the Employees' Retirement System of the State of Hawaii and to serve in such capacity for the next three years. The contract may be extended at the option of the ERS for two (2) periods not to exceed one year each, on the same terms, conditions and price as agreed to in the original contract. The agreed upon compensation amount is \$325,000 per annum. Our selection is subject to contract finalization and execution of an acceptable agreement.

Very shortly, we will send you the contract for your signature. In the meantime, we suggest you obtain the Certificate of Vendor Compliance, compliant with the requirements of HRS Chapter 103D-310©, which is required prior to our entering into the contract.

As a reminder, please obtain separate tax clearances 1) as an individual and 2) in the name of your professional corporation or other similar business entity, if you are requesting the assignment of the proceeds of the contract be paid to another entity than you, individually.

Should you have any questions, please do not hesitate to call Gerri Konishi at (808) 586-1705.

Congratulations again and we look forward to working with you.

Very truly yours,

Thomas Williams
