

Quick Guide to the ERS Web Page

ers.ehawaii.gov

The Employees' Retirement System is encouraging members and retirees to utilize the resources on our website and contact us by phone and email. Here's a quick look at some of the information available on our website.

1

Menu Bar. Resources can be accessed by either clicking on the menu item or pull-down menu. Click on “Contact Us” for our addresses and phone numbers.

2

Members Tab. Information for members or former members, retirement planning, death benefits, disability, leaving employment, forms and videos.

3

Retirees Tab. Pension information, retirees returning to work, death reporting and benefits, FAQ, forms and ethics code for retirees.

4

News and Updates. The latest information about the ERS.

5

Retirement Planning. An excellent place to start if you are considering retirement. Forms, retirement dates and plan information can be found here.

6

Active Membership Information. With an eHawaii.gov log-in, active members (does not include retirees or beneficiaries) can access their membership date, accumulated contributions (Contributory and Hybrid only) and years of service.

7

Benefits Calculator. You can generate estimates of future retirement benefits using the calculator. It does not replace the actual calculation when you retire.

8

Financial Report: The ERS's Annual Comprehensive Financial Report and other reports.
